

Forum CReA

The CReA project has different tools of communication and one of them is the **CReA Forum**. With this tool we are trying to show all the activity and transit of ideas that pass through the teachers body of CReA.

The main advantage that this system gives us is the independence from the personal mail and his communitary character. In this way, all the communications are compiled and available for future references.

If you want more information put your self in contact with Jose Pardo:
oldlastman@ono.com

FIRSTS STEPS

How to entry in the forum

The entry through our web page is very simple. You only have to click in the link of the forum that is in our communication toolbar:

First of all put the mouse on the tool of communication

Then, make click at the forum

To be registered:

If you are already registered but you don't remember your password, sent an e-mail to the administrator asking him to change it (oldlastman@ono.com)

1- To entry to de CReA Forum like a user you must regist your User Name. For this, click the link Register situated above the page.

You will go to “**Accept the Register Terms**”, which you must accept and be agree them to be registered.

2- Afterwards, you will be sent to the screen of **Information of Regist**. Fill in all the obligatory fields that are shown, and the optionals that you want.
